Subject: Re: Purchase Order PO-20456 from South Western Garage Equipment Limited for Viamed Ltd

Good morning,

Thank you for your new order.

Please be advised that the unit price for the R-22A sensor is now £24.10 when purchasing 30 units.

I also need to make you aware that we are currently out of stock due to high demand and the lead time is approximately the end of January.

Your order has been placed on hold until you advise that you are happy to proceed at that price.

Kind regards

Sarah Walton
