Dear Viamed,

Following a long conversation with your colleague Steve yesterday I would like to place an order of the following products as copied from Steve's last email;

- p/n 0110454 - Oxygen sensor Max-550E @ £99.00+VAT

- Carriage: FOC

We are also awaiting a cable price but would like to proceed with these first in order to reduce the waiting time, as we both feel they may partially solve the issues we are having.

Please could you let us know how we proceed with this.

Best wishes

Dan
