Hi good morning everybody,

We can send them out today, but I'm not quite sure, if they will arrive in time.

Please indicate delivery address, which time should the cannulas be there?

(do you have the reusable cannula in stock?)

Best Regards

Martina

Yes, please.

@Martina: Is it possible to get those in with 24h express?

On the move!

Hi Matthias,

I have asked Derek to order these, he will do so now, but he says they will not arrive in time for us to ship them by Friday.

Do you still need me to place the order?

Many thanks.

Kind regards

Kate Griffiths

Hi Matthias,

Thank you for your order. Just to let you know, the couriers have already been for today as the **cut off time is 1.00pm**, but we also have none of these in stock and none currently on order.

Would you like me to proceed with the order?

I am happy to put the order on and ask Derek to order stock.

I await your reply.

Kind regards

Kate Griffiths
