Good morning Mary,

Thank you for your reply. I will leave the proforma as it is in case you need to add to it/change the method of payment.

Regarding the flow sensors, both of the sensors in the photographs are compatible with part number 4310001  
- Flowsensor SpiroTrue A,

box of 5. The price breaks are as follows:

1-24 = \$ 62.70 each box	25-99 = \$ 57.00 each box	100-249 = \$ 51.30 each box	250 or more = \$ 45.60 each box
-----------------------------	------------------------------	--------------------------------	------------------------------------

Stock of these is very low, but we are expecting more stock to be available later this month. The stock we do have has an expiry date of 20 July 2024.

Please let me know if/how you need me to update your proforma invoice.

Many thanks.

Kind regards

Kate Griffiths
