

Packaging Trial & Validation

The following should be checked:

- The unit being sent is to the specification as detailed on the official order.
- The instructions for use and cleaning instructions are included.

Packaging:

- The Units are hand delivered by "Tanda" wrapped in clear cellophane.
- The units are then packed in cardboard boxes.
- Wrap the unit(s) in bubble-pack (if Large & Flimsy).
- Place in box with airbags surrounding – applied with use of the Specific airbag machine – (Cell-O-Ez – Air Cushion Machine).

Postage:

- For single and multiple orders – Despatch is via an applicable courier with adequate insurance.
- Alternative Delivery is via a Hospital visit by a Sales Representative.
