Hi Zoey,

I'm forwarding this onto you for continuity as you did the original quote and it looks like you are going to be in tomorrow, if you're not, I will get Kate to do it.

Please can you raise the following TOF 3D quotes for King's Mill hospital, who have now specified the adapters required.

They already have 1 quote that you raised for them - QVM132802, you can either edit that and add a new one, or delete it and start again with 2 new quotes. Please include the statement about the items already supplied on SOR on both quotes, thanks.

Quote 1 -

2x 2510091 - TOF 3D Neuromuscular Transmission Monitor  
2x 2520113 - TOF 3D Pole Mount, variant A  
1x 2520110 - TOF 3D Hand Adapter  
1x 2520011 - TOF 3D Thumb Adapters (box of 50)  
1x Carriage  
Note: 1x 2510091, 1x 2520113 and 1x 2520110 already supplied in advance on a Sale Or Return basis, ref SOR934.

Quote 2 -

4x 2510091 - TOF 3D Neuromuscular Transmission Monitor  
4x 2520113 - TOF 3D Pole Mount, variant A  
1x 2520110 - TOF 3D Hand Adapter  
1x 2520011 - TOF 3D Thumb Adapters (box of 50)  
1x Carriage  
Note: 1x 2510091, 1x 2520113 and 1x 2520110 already supplied in advance on a Sale Or Return basis, ref SOR934.

If you've got any queries about it or if you think I might have made a mistake, please ask me. I can check it over before you send it for formal checking if you want.

Thanks,  
Steve H

Good morning Peter and Vish,

We will prepare the quotes today, for 2 devices and for 4 devices complete with pole clamps.

The quotes will include the TOF 3D device and hand adapter that have already been supplied on Sale Or Return, along with 1 box of 50 thumb adapters.

If you don't want the hand adapter that was supplied on SOR, you can return it and not add this to your order, however, it might be prudent to keep it as it's reusable and allows monitoring should you run out of disposable thumb adapters at any point.

I will get the quotes to you today. If you have any queries, please let me know.

Regards,  
Steve

Hi all,

We need disposable thumb adaptors only please. In the order of around 50.

Peter - please let me know if there's anything else you need from my end to progress this.

Thanks,
