Hello Sarah,

Thanks very much for the quote/proforma. Actually we've been talking again to the client and to cut a long story short we now need 40 of them!!! Please could you re-quote for that quantity? Would you be able to supply them in about three weeks time?

This is actually going to be phase one of a multi-phase project for this client if the initial phase goes well. We therefore anticipate further needs of these items perhaps in about six months time.

Kind Regards,

Tony.

Good Afternoon Sarah,

I hope 2022 is going well for you so far; January seems to be rushing by!

Please could you quote for 15 Ultramax units for delivery to our Bedford premises? I anticipate needing them in the next month or so.

Best Regards,
