Hi Kate,

Please can you raise a quote for the following:

- 21 x 0310207 - Low-flow air oxygen blender

Includes:
Pole mount
0-15 L/min flowmeter
3m air hose NIST with MKIV air probe,
3m oxygen hose NIST with MKIV O2 probe

- Carriage - Cathy is calculating how many UPS cartons this will require, she said she should have an answer later this evening, which will be tomorrow for you. I've asked her to let you know.

Regarding sending it, I will do that if you want as I want to mention the service training that he asked about. I'll catch up with you tomorrow on this.

Thanks,
Steve
