Hi Matt

Thank you for your email.

18 x Analox O2 cell, Maker Part No: 9212-2, O2 Cell

R-33VAN-2 = £55 each EXW

manufactured to order in approximately 1 week.

9 x O2 Cell for Sat Systems Analysers, Maker Sat Systems, Maker Part ref: ID-05

I am not familiar with the ID-05, but I am familiar with a D-05 which is equivalent to our R-22VAN. Unfortunately I can not be certain that the R-22VAN is the correct sensor, but if you can obtain a picture of the original sensor it may help.

R-22VAN = £35 each EXW

available from stock

Best regards

Ryan
