Hi Jason,

Thank you - yes I will ask my colleague Cathy to give Ashleigh a call for the card payment - it is likely to be Monday when she gets to this - once the payment has gone through, we will be in touch regarding when your order is ready to collect.

If you have any questions, please do not hesitate to contact us.

Kind regards

Sophie Lines

Hi Jason,

Please find attached your Proforma Invoice for 1x R-22AVG unit.

Please can you let me know when you were planning to collect the unit?

Our bank details appear on the Proforma Invoice - alternatively, we can take a card payment over the phone, however as we are working remotely, only our warehouse staff have access to the card reader. Therefore, I would have to ask them to contact you for payment, as it is not always possible for us to contact them via phone, during their busy times.

Kind regards

Sophie Lines

Hi Jason,

Yes no problem - is the delivery and invoice address as it appears in your email? There is a delivery charge which depends on how many you would like to purchase - if just purchasing 1 unit, the delivery charge is £6.00 plus VAT. Please let me know how many you require?

Kind regards

Dear Jason,

Thank you for your email.

I can confirm we supply an equivalent sensor to the one you have pictured - our part number is 0110182 (R-22AVG Automotive Oxygen Sensor) and they are £46.00 each (excl VAT). We do have these available in stock. I have attached our leaflet and a specification sheet for this model.

If you require any further information please do not hesitate to contact me.

Kind regards

Hi

Please could you tell me if you sell the oxygen sensor in the attachment and if you have them in stock plus price?

I would like to order if possible

Many thanks
