Hi Steve,

You must be psychic as it is on my things to do this week but haven't managed to get around to it.

Could I actually have a quote for 15 including the following as we have had some money allocated to us which needs spending before 31<sup>st</sup> March.  
Can I presume you could deliver before 31<sup>st</sup> March if we placed an order.

15x hand adapters 5750100  
1x box of Thumb adapters 5750101 (box of 50) consumables  
1x box eye adapters 5750102 (box50) consumable

Thanks,

Ian Grayson

Good morning Ian,

I'm just following up on your enquiry to trial a TOF 3D neuromuscular transmission monitor. Is this something that you are still looking to do?

If so, are you able to sign and return the Sale Or Return Terms & Conditions document so that we can get a unit out to you on loan to trial?

Thanks in advance and I look forward to hearing from you.
