Reusable Pulse Oximetry Sensors - SoftTip® plus large

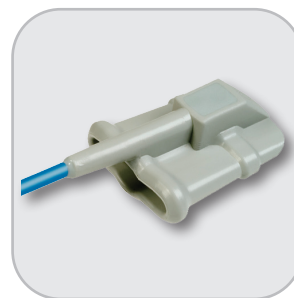

- **Patient safety** - clear hygiene concept (infection control)
- **Patient comfort** - ergonomic design and premium quality
- **Process optimization** - streamlined workflow (autoclavable; plasma sterilization 134°C/273°F)

Pulse Oximeters – MySign® S

Scope of delivery:

Device, rechargeable battery, USB connection cable, user manual, technical documentation (CD)

- **Safety** – all information at a glance
- **Versatility** – for spot check and continuous monitoring in varied application areas
- **Comfort** – easy-to-use, easy-to-clean and robust
