Good afternoon,

I have checked our UPS system and €326.85 is still coming up. I have done a comparison price for shipping to Madrid and the shipping cost is coming up as €67.38. Unfortunately we have no control over the shipping charges. We are more than happy for you to arrange your own transport for this order.

Kind regards

Sarah Walton

Can you please check the freight costs again? They are very expensive. It is not a big package.

Thank you very much.

Good afternoon,

Thank you for your new order.

Please find attached a copy of your proforma invoice. The UPS freight charge is coming up extremely high, so you might want to arrange your own courier?

Kind regards
