Thank you Lucy for confirming.

Please see attached a copy of the updated order which we aim to ship today.

Hi

Happy to have the 3 boxes of 4 for this order, and if we can have the box of 15 as well.

Let me know if you want a new order raised. I will need the price for the box of 15.

Martin

WARNING: This email came from a sender external to the trust. Please treat links and attachments with caution.

Good morning,

We have received the stock of connection tubing 3m sterile packaging in relation to your order **RTFE400225640** from January. Unfortunately, we are no longer able to supply this item in boxes of four (though we can provide you with the remaining 3 boxes of 4).

In order for us to ship your order as soon as possible, please could I suggest that instead of ordering 653301 x 8, please could you amend your order to **653301 x 3 and 653301-15 (these are boxes of 15) x 1**

This would mean you will receive 27 units instead of 32, but it also means we can ship your order in the next day or two.

Another positive point is that a pack of 15 (the only format we will be able to sell this item in) is cheaper per unit than the pack of 4.

I await your reply. Please do not hesitate to contact me for further clarification.

Many thanks,

Kate Griffiths
