Hello Zoey

Thanks for your email .

I have sent you in my previous mail to keep the prices as before as customers don't accept any raise in price and I asked you to compromise the price to keep our business tracking .

Lebanon Is passing a real crisis and shortage in \$ hence customers are always negotiating to deduce 1\$ that is why I asked you to compromise the issue .

Max-250 , as I m selling them the same price as before

R-49 – Price 28 – Qty 15

Mx-250 – Price 47.25 – Qty 3

Oxygen sensor for Penlon Qty 5

Teledyne – Price 102.80 – Qty 1

R-30 – Price 32.40 – Qty 2

Price in Pounds , please do you r best as really I prefer to only order from you .

Best Regards

Hussein Ghandour
