good afternoon

Use the address indicated in my
previous letter as an alternative.

Please leave the remaining funds for
future orders.

Is it possible to order 40 more sensors?

18.03.2022, 13:29, "Sophie Lines" <office@viamed.co.uk>:

Good morning,

I am emailing to confirm I have amended the delivery address to the following:

Sabine Misgeld
[Hubertusallee 14](#)
[14193 Berlin](#)
[Germany](#)

Our accounts department has informed me we will also need an alternative invoice address - should we use the same as the delivery address? Alternatively, I can see a previous invoice address on your account as follows: Reiseservice Nagel, [Marienbrunnenstrasse 10, 04299 Leipzig, Germany](#)

Please advise which address we should use? Once your order is dispatched, your PDF invoice will be emailed to you.

Furthermore, as the carriage cost to Germany is cheaper, there is now \$81.85 credit on your account - please let me know if you would like to keep this for future orders, or receive as a refund?

Kind regards

Sophie Lines

Please note: My working days are Monday, Tuesday and Friday 9.30am-3.00pm

We are currently working remotely however telephone calls to the main office will still be answered.

Dear Ryan

Can you send our order to an individual?
Address and name:
Sabine Misgeld, [Hubertusallee 14, 14193 Berlin](#).
Thanks a lot.

Dear Konstantin & Alexey

As I am sure you are aware, due to the situation in Ukraine, we are facing some trouble supplying goods to Russia. Our courier, UPS, has ceased transportation into Russia and I believe many other couriers are doing the same.

With regards to your current order, should we wait to see if there are any changes, cancel your order and send a refund or would you prefer to use an alternative delivery address outside of Russia?

I will await your reply.

Kind regards
Ryan
