Hi Steve,

Thank you for the orders, I have forwarded these to our sales office. I note the delivery dates for 1st week in May, June and June respectively.

With regards to your order for the 1st week in April, it looks like we are temporarily out of stock but have a large number due to ship from the US on Friday, so we should be receiving them next week and will get them out to you as soon as we can, providing the promised shipping dates are correct.

Regards,
Steve
