Thank you for your email.

Please be aware that part number 0012160 (Pulse Oximeter Viamed VM 2160) has now been discontinued, and replaced with the following product:

Please find your Proforma Invoice attached for 1x unit - if another of the SpO2 sensors is preferred, instead of part number 0014752, please let me know and I will amend this for you.

If you have any questions please do not hesitate to contact me.

Kind regards
