Hello Kate,

Thank you for the quotation I'll provide it today to my boss; I would like to comment that the shipment will be made by DHL so please discount the UPS delivery from the quotation and could you please send the new version without that charge ?

As soon as you know what the lead time would be could you please let us know ?

Good morning Cintia,

Thank you for your email.

Please see attached proforma invoice for 50 x 0110121. Please let me know if you require any changes to be made or if you would prefer a quotation instead.

There would be lead time for this item, but as yet I am unsure what it would be.

Many thanks.

Kind regards

Kate Griffiths
