Dear Jeroen

I hope you are well.

We still have a proforma on our system for 1x R-33S1 sensor. I would like to make you aware that we have stock available and I would like to know if you are going to make the payment or should we delete the proforma?

I will await your reply.

Best regards

Ryan

I am very well, thank you. I hope you are too.

We have a new accounts/stock system and I am trying to enter your details into it, but I am having difficulty with the VAT number we have for you. Please can you confirm your VAT number?

Best regards
