Hi Kate,

Thanks very much for arranging this.

That address would be perfect.

Can you give me a total cost including carriage both ways and I'll get a PO raised.

Regards

Good afternoon Simon,

Thank you for your email.

Please accept my reply on behalf of Zoey. The returns reference you need is SRS68149.

I will ask a colleague to provide me with a UPS label so you can return the device to us, this will be emailed to you next week. Please could I add that your team would need to **contact UPS when you receive the label so you can arrange a date with them that is convenient to you.**

Is the following address suitable for the UPS label please:

Princess Royal Hospital, Medical Engineering Services, Apley Castle, Telford, TF1 6TF

I await your reply.

Many thanks.

Kind regards

Kate Griffiths

Viamed is now enacting a coronavirus contingency plan to allow sales and admin staff to work from home, and I am now working remotely. Telephone calls to the main office will be answered remotely, but please continue to use email where possible.

Hi,

We have one of these units S/N PR0773A14 which we would like the Service and Certificate of Calibration carried out on.

Can you provide a returns reference number please?

Also would you be prepared to arrange collection of the device from us and add this to the quotation?

Thanks
