Dear Owais,

Thank you for your email.

Please find attached your quotation - I have done this for 300 units as this is the quantity you mentioned over the phone earlier - if this needs changing, please let me know.

As discussed, there could be a lead time of approximately 4-6 weeks for these sensors.

You also mentioned a number of contacts at Continental had now changed - I have updated our records with the 3 contacts you emailed across - however, you may not be aware that Continental Corporation's account with us is currently "on stop" due to unpaid invoices - please can you let me know if there is someone new that I should ask our accounts department to contact regarding this?

Kind regards

Sophie Lines
