Dear ,

Please find attached a copy of Purchase Order 017836.

Please be aware we have changed address to:
Sancta Maria Hospital
Lamberts Road
SWANSEA
SA1 8FD

Please advise drivers of the following:

There have been some complications with planning which has temporarily prohibited the use of the hospital service yard. This in turn has had a knock on effect on all deliveries & collections. To try and ease the burden, the hospital has employed a porter to assist the driver when arriving to site.

Unfortunately there have been several complaints from local residents when the large vehicles mount the kerb directly outside of their apartments. We would like to ask if you could inform the drivers that they can park on the exit ramp, turn the engine off and they will be met by the porter to assist with collection/delivery.

Apologies for any inconvenience caused, hopefully the planning issue will be rectified soon.

Regards,

Tomas Coles
