Dear Gregory,

Thank you for your email. Please note that Sarah no longer works at Viamed Ltd.

I can confirm we can supply the MAX-250+ oxygen sensor. Our part number is 0110427 and they are 75.85 Euros each. There would be a lead-time of approximately 3-4 weeks.

The R-24MED sensors are 32.75 Euros each - we are awaiting stock and the lead time would also be approximately 3-4 weeks.

Please let me know if you would like me to send you a Proforma Invoice?

Kind regards

Sophie Lines

Please note: My working days are Monday, Tuesday and Friday

We are currently working remotely however telephone calls to the main office will still be answered.

HELLO

Do you have this type of cell see attached photos, I need 10 cells of this type as well as the delay.

I would also need R-24MED quantity 10.

thanks in advance
