Hi Sophie.

No do not box them as the boxed are only thrown away.

Hi Steve,

Thank you for the order number - do you require the sensors in their individual boxes? Please also be aware, there will be 2 delivery charges of £10.00 - when the first 33 units are dispatched, and also when the remaining 17 units are sent.

If you have any questions please do not hesitate to contact me.

Kind regards

Sophie Lines

Please note: My working days are Monday, Tuesday and Friday

We are currently working remotely however telephone calls to the main office will still be answered.

Hi Steve,

That's fine I will process that for you now - do you have a Purchase Order number you would like me to use?

Also please can you let me know if you require the boxes the sensors come in? We have an old memo on your account which states the boxes are not required - but I just want to check whether that is still valid?

Thanks

Kind regards

Hi Sophie.

Can I order 50 R17A-Lv 02 cells.

I will take what you have, and you can back order the rest.

Thanks

Steve Bicknell.

Hi Steve,

Yes of course, sorry about that. Our price breaks for part number 0110107 are as follows:

1 = £ 30.10	[]	10 = £ 25.80	[]	25 = £ 24.10	[]	50 = £ 22.60	[]	100 = £ 21.20
-------------	-----	--------------	-----	--------------	-----	--------------	-----	---------------

If you require any further information please do not hesitate to contact us

Kind regards

Sophie Lines

Hi Steve,

Thank you for your email. Sarah no longer works at Viamed Ltd, so please accept my reply.

I can confirm we currently have 33 units of the R-17A-LV sensor in stock (part number 0110107 - Teledyne)

The R-17A-LVG (part number 0110157 - Viamed) is unfortunately not in stock at the moment.

If you require any further information please do not hesitate to contact me.

Kind regards

Sophie Lines

Hi Sarah.

Can you let me know what stock you have in the R17a LV 02 cells?

I will take either your own or the Teledyne cells, or a mix.

Looking for 25 to 50 02 cells.

Thanks

Steve Bicknell
