

Packaging Trial & Validation

The following should be checked:

- The unit being sent is to the specification as detailed on the official order.
- The instructions for use and cleaning instructions are included where appropriate.

Packaging:

- The Units are received from “Envitec-Wismar GmbH” individually packaged and wrapped in protective packaging in boxes.
- The units are then re-packed in clear inserts and placed into cardboard boxes and then into Jiffy bags for despatch (small quantities).
- Large quantities are wrapped in bubble wrap and packed in a box with air bags surrounding.

Postage:

- For single and multiple orders – Despatch is via an applicable courier with adequate insurance, or by Royal Mail.
- Alternative Delivery is via a Hospital visit by a Sales Representative.
