Asunto: Re: Question stock

Hi Toni

Thank you very much. My colleague Gail will process your order.

With regards to the helium analyser, unfortunately not. It is something I keep looking at, but the cost of development does not seem feasible at the moment.

I have been looking at a few in the market to supply, but getting one at the right price and quality has proven a little difficult.

I will let you know if anything is to change.

Best regards

Ryan

Hello Ryan,

Thank you for your answer.

Please, see below our new order:

1 x 7910102 Vandagraph VN202 MKII Analyzer with DIN Kit - Model : Auto switch-off

2 x 7910201 TEK-Ox Oxygen Analyser (inc. sensor/Quick-Ox/Dry box) - Auto switch-off

Do you plan to produce any helium analyser?

Thank you in advance

Best regards

Toni Ferrer

Asunto: Re: Question stock

Hi Belinda

Please accept my reply, as Gail has finished for the day. I am pleased to inform you that we have the analyser available from stock.

Best regards

Ryan
