Good morning Ryan,

I hope that you had a good long weekend.

Our customer has advised us that they are happy to go with pallets.

Can you advise if this has been noted and is being worked on?

Kind regards,

Good afternoon Ryan,

I hope you are well and that this email finds you okay.

My name is Fraser and I work for A-Sonic Logistics (UK), I've been informed of a collection from yourselves at Viamed of a shipment for our customer Sedana, Germany. I hope that this is something you're familiar with.

If so, please can you advise when the cargo is due to be ready? Please can you also provide all documents relating to this shipment; commercial invoice, packing list etc, as soon as you have it available so that we can arrange all the formalities for this movement.

I look forward to hearing back from you Ryan. If you have any further questions, please don't hesitate to ask.

Kind regards,
