Good afternoon,

I am currently in the process of creating your proforma invoice.

Our UPS system requires that we have the zip/area code so that we can work out the carriage cost.
Please can you confirm what this is?

Please can you also confirm which contact name to use for our records?

If you have any further queries, please do not hesitate to contact me.

Hi,

Thank you for your reply. We have the R-22A in stock, so we can dispatch within 1-2 days from receipt of payment.

If you can let me know your company details - delivery and invoice address, contact numbers etc - I can put this together in an official quotation for you. I am unable to calculate delivery costs or time without a delivery address.

Kind regards
