Dear Sarah and Zoey,

How is your health and affairs? I hope you are well in everything.

Please send me a bill to pay for your R-23V oxygen sensors (for Drager Fabius GS anesthesia machine) in the amount of 2 (two) units, as quickly as possible. I will pay you for the sensors according to the bill today through the PayPal payment system.

Note:

Please also send me a current price list for your oxygen sensors and temperature probes.
