Dear Zoey,

Please send my parcel with oxygen sensors to the address of the transport company Meest-Express in Great Britain, which carries out the delivery of parcels to Ukraine from international online stores. I am registered with this company and I have been using their parcel delivery services for a long time. All my details for sending your sensors to their office in the UK to them - in the screenshot in the appendix to this letter

Delivery address:

Mr. Oleksandr Pavliuk (026023)
Unit 1 Cromwell industrial estate
Staffa road
London
E10 7QZ
Great Britain
+447466781869
