Dear Sarah,

I hope this finds you well.

Sorry to email out of the blue but I am hoping you will be able to help me. Could you please provide me with an up to date quote for:

x6 oxygen analyser sensors, product code OOM111 (Item ref 0110560). It is for the sensors only. I have a copy of a previous quote from yourself dated 21/2/22 but this has expired . This quote is for the Perfusion department based at St Thomas' Hospital.

Thank you in advance.

Kind Regards,

Geoff
