Dear Zoey,
as I understand I order in total 250 packs, not 250 single sensors:

4310003 - 50 packs of 6.
4310002 - 100 packs of 5.
4310001 - 100 packs of 5.

Do I understand right that the prices Ryan gave me were for a pack not for a single sensor?
or maybe I don't understand what you mean.

I confirm the order of 250 packs as I wrote above.
If something is not clear, please don't hesitate to contact me.

best regards,
Tatyana
