Subject: Re: INQ98 - Oxygen Sensor

Good morning Mary,

Thank you for your email.

Please could you let me know which device you would need the M-10 oxygen sensor for so I can give you the correct information? Or perhaps supply a photograph of the item? Thank you.

The price for part number 0110435 - oxygen sensor MAX-250TM is \$84.25 each EXW. This item is currently in stock.

I await your reply.

Many thanks.

Kind regards

Kate Griffiths
