Hello Derek,

got your mail. Hope everything is going well. We are living in a very critical time at the moment. Hope we can meet soon again to discuss our future projects and survival plan during MDR transition time and related to Brexit issues.

Regarding the service charge I can fully understand that you also need to increase the fee, but the revenue of HM UK is still not back to reasonable profitable situation.

That's why I ask you to increase in steps like 1kGBP beginning of May and let's say if possible to 1,5k GBP starting Sept. 1st.

This would help us.

Steve quick question: When can you come over. Think we need to meet to talk about the current situation regarding Brexit and actions needed to fulfil the new regulations in the UK.

With kind regards

Bernd
