Hi guys,

Please can someone generate a quotation for the supply of the following on Sale Or Return:

1x 0111263 - MaxO2ME
1x 0121182 - V-mount pole clamp, large
1x Carriage

The quotation needs to be made out to Stefanos Choptiris, Perfusion Department, Trent Cardiac Centre, Nottingham City Hospital. Tel: 07926807760 / 01159627756 Ext 76756.

The goods are going to be delivered to Richard Tuckwood, Medical Equipment Services Unit (MESU), Nottingham City Hospital on SOR947, I'm currently doing the paperwork.

Please include the statement "Goods already supplied on Sale Or Return, ref SOR947".

If you have any queries, please feel free to ask. If this lands with Janine or Aqib, best ask for guidance on this if you haven't done a Sale Or Return (SOR) before, there is a procedure that will help explain the process: 'DOC ID84886 VM3COP20.13 Sending SOR Sale or Return Items to Customers' but in this case, I'm doing that bit and only need the quote, thanks.

Steve

Hi Steve

I saw Liam is communicating with you.

All I wanted to highlight is that for the correct delivery address you will need to contact Richard Tuckwood from the MESU (cc'ed on Liam's email) and ensure that the item will be send to MESU at city campus and not at the QMC campus (address where Liam is based)

Kind regards

Stefanos
