Konu: Re: Teledyne R-22A Oxygen Sensors

Dear Sergen

It is nice to hear from you, thank you.

We currently have enough stock at the current price of USD \$24.70 each EXW (based on a quantity of 50+).

We are expecting a price increase on the next batches of sensors, but this has not been finalised yet.

Please let me know if you would like us to send you a proforma invoice including transport costs?

Best regards

Ryan
