Hi Steve,

no problem. I will change the delivery date two weeks later.

Best regards,

Diana

Caution: Be cautious of emails and links from free email domains such as Google and Yahoo.

Hi Diana

Yesterday you supplied a covering order for 1001 x gold cathode for testing and you want the delivery by the 28th July.

This is not at all a realistic timetable as we have not received them yet from Envitec and it does take some time for them to be magnetic range tested.
