Hi Apostolos

It looks like we have about 30 that meet your requirements. We can send a pro-forma tomorrow or do you want us to see if we can get you some more over the weekend?

Hi Steve, do we have any news for the next shipment other than the 25 sensors that you have ready?

Hi Apostolos

I don't know yet, it depends on the yield of the next batch we test. I am hoping that we receive more sensors next week.
