Hi Sophie,

Thanks for your response. I've boxed and arranged shipping for the device so hopefully it should be with you early next week. The PO is in the process of being generated and will hopefully be with you on Monday.

Thanks,

Hello,

With respect to the planned annual calibration of our foetal monitor simulator, SN PR02041A10, we are looking to arrange for this service. As per your letter (Ref: 20180723/499) could you please provide a returns reference number?

Thanks,
