Hi Simon

Thank you very much for your email.

As you have a dive centre, we would be happy to provide you with our trade pricing.

The sensors you need are the R-33DE, they are GBP £35 each and we have them available from stock.

2x R-33DE = GBP £70

Airmail = GBP £16

Total = GBP £86

We accept payment by bank transfer or most major debit/credit cards, if you would like to proceed with an order, please let me know which you would prefer.

Best regards

Ryan
