Dear Kate

Kindly skip the 0110019 and send the revised invoice in order to proceed the order.

Good morning Syed,

Thank you for your reply. Please see attached proforma invoice as requested. I have used the addresses from your last order.

Please let me know if you require any changes to be made.

The items are currently in stock, **except 0110019**, which would have a lead time. An alternative is 0110018 Viamed R-17V. This has a tighter output (9-13mV), a faster response time (<5s), but a shorter life. The alternative 0110018 is currently in stock and costs \$32.50 each.

Kind regards

Kate Griffiths
