Dear Rajikumar

Thank you for your email.

NOXO 100 Sensors - pn. 0110960 - USD \$181.90 each EXW

Approximate delivery schedule - 4-6 weeks.

You do not need to have the insurance, but there would be no recourse if your goods were missing or damaged in transit. Viamed would bear no responsibility.

Please let me know if you are happy to proceed and if so I will arrange to send you a proforma invoice?

Best regards

Ryan

Hello

I have attached your proforma as it will expire on 4th Aug 22.

Unfortunately, we do not send out free samples but if you would like 5 pieces sent I can send you another proforma for 5 pieces. Once we receive payment for these I can then ship them to you.

If you would like to go ahead with this order we will need payment first. If you do not want to go ahead please let me know so I can update our systems.
