Hi Chris,

The prices are as follows:

0111275 - Oxygen analyser OxiQuant S is £155 each, plus £10 carriage, plus VAT. This is currently in stock.

0111250 - Handi+ Oxygen analyser with integral sensor is £172 each, plus £10 carriage, plus VAT. This is currently in stock.

Ryan has asked me to ask you if the device is for scuba or something else, as we have the handi+ medical device which is the same, but with a different sampling kit, which may not be relevant if it is not for measuring from scuba tanks.

Many thanks.

Kind regards

Kate Griffiths
