Dear Natalia,
Please find attached your Proforma Invoice for the items requested.

Please be aware - part number 0110436 (Maxtec MAX-250(B)-SLE) is no longer supplied with the connector fitted and the components must be purchased separately:

- **0110432 (Maxtec MAX-250(B) with unterminated leads**

- **0131524 2 pole connector with hood**

I have added the above parts to your Proforma Invoice in place of part number 0110436. Please check all the details carefully and let me know if there are any changes that need to be made. We have all the items in stock, therefore once payment is received, this order should be able to ship within 1-2 working days.

If you require any further information please do not hesitate to contact me.

Kind regards

Sophie Lines

Please note: My working days are Monday, Tuesday and Friday
