Subject: Re: 02 monitor

Good afternoon Leigh,

Thank you for your enquiry

Please accept my reply, Zoey is now on maternity leave. **Enquiries/orders can be accessed by all our office team at orders@viamed.co.uk**

The price of part number 0111263 - MaxO2 ME Oxygen Monitor is £520 each, plus £10 carriage, plus VAT. The approximate lead time would be 1-2 weeks.

The MaxO2 ME Oxygen Monitor **includes a MAX-550E oxygen sensor (0110452).**

The price breaks for the MAX-550E oxygen sensor (0110452) separately are as follows:

1 = £ 99.00	2 = £ 94.05 each	3-10 = £ 89.10 each	11 or more = £ 84.15 each
-------------	------------------	----------------------------	---------------------------

The sensors are currently in stock and their price does not include VAT.

Many thanks.

Kind regards

Kate Griffiths

Viamed is now enacting hybrid working to allow sales and admin staff to work remotely and in the office. Telephone calls to the main office will be answered, but please continue to use email where possible.
