Good morning Ryan,

we bought the attached articles as samples from your company and we're now hitting the next step in the project.

Tests with your equipment had been successful.

Do you have standard box or set sizes for those articles? I'd need a price for 20 pcs of each article – or is it the same as the single prices you offered?

Kindly awaiting your feedback.

Dear Christopher

I apologise for the delay, there is some trouble supplying the adapters you have listed, as they are no longer CE certified, but I have an alternative for you. Please find our distributor pricing below (for in stock items):

3210011 - Neopeep = EUR €7.00

3210070 - size 0 mask = EUR €3.15

3210067 - size 0.5 mask: not available from stock, pricing would have to be checked, a minimum order quantity would have to be imposed

3210071 - size 1 mask = EUR €3.15

0120138 - 15mm-15mm adapter = EUR €22.25 / box of 25

Best regards

Ryan

Hi Ryan,

I'd prefer Euro and for now it's only 1 pcs each for testing, but if it turns out good there is more to come.
