Hi Mick,

Thank you for your order - do you have an order number you would like me to use for this?

Also please be aware there would be a carriage charge applicable - UPS Next Day Delivery is £10.00, or Royal Mail Recorded Delivery is £6.00 - both are available with this order - please advise which method you would prefer?

Kind regards

Sophie Lines

Good afternoon,

Thank you for your email. Sarah Walton no longer works at Viamed, so please accept my reply.

Unfortunately the MX300 Oxygen Monitor which is pictured in your email has now been discontinued and is no longer available for purchase. Spare parts and the sensor - R-17MED (£34.00 each) are still available - if you would like the price of any of the spare parts please let me know.

We have some alternative Oxygen Monitors available as follows:

- **0111263 Maxtec - MaxO2 ME Oxygen monitor - £416.00**
- **0111276 Envitec - Oxygen monitor MySign O - £277.60**

(All prices exclude VAT and carriage costs)

I have attached leaflets for these products - if either of these would suit your requirements, please let me know if any further information is required.
