PPUPS1

UPS Courier Delivery - Standard

The device used standard paediatric electrodes, which Viamed does not supply, but which are readily available through standard supply chain channels.

Instruction for use are supplied in accordance with the medical device regulation, and the device is for use by suitably qualified personnel: Specialists, anaesthetists and nurses with specialization in anaesthesia care.

In addition we can supply training materials for use by the Hospital Clinical Educator, These include: Powerpoint training presentation and a Window based simulator which provides full operation simulation of the device. We also offer support to clinical Educators, however we currently do not include on-site training.
