The device uses standard paediatric electrodes, which Viamed does not supply, but which are readily available through standard supply chain channels.

Instructions for Use are supplied in accordance with the Medical Device Regulation, and the device is for use by suitably qualified personnel: specialists, anaesthetists and nurses with specialization in anaesthesia care.

In addition, we can supply training materials for use by the Hospital Clinical Educator, these include: PowerPoint training presentation and a Windows based simulator which provides full operation simulation of the device.
We also offer support to Clinical Educators.

However, we currently do not include on-site training.
